

# Starman

*David Bowie*

## **Intro**

### **Couplet 1**

Didn't know what time it was the lights were low  
I leaned back on my radio  
Some cat was layin' down some rock 'n' roll, "lotta soul"  
He said

Then the loud sound did seem to fade  
Came back like a slow voice on a wave of phase  
That weren't no D.J. that was hazy cosmic jive

## **Refrain**

### **A**

There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds  
There's a starman waiting in the sky  
He's told us not to blow it  
'Cause he knows it's all worthwhile  
He told me

### **B**

Let the children lose it  
Let the children use it  
Let all the children boogie

## **Interlude**

### **Couplet 2**

I had to phone someone so I picked on you  
Hey, that's far out so you heard him too  
Switch on the TV  
We may pick him up on channel two

Look out your window I can see his light  
If we can sparkle he may land tonight  
Don't tell your poppa or he'll get us locked up in fright

## **Refrain**

**A**

There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds  
There's a starman waiting in the sky  
He's told us not to blow it  
'Cause he knows it's all worthwhile  
He told me

**B**

Let the children lose it  
Let the children use it  
Let all the children boogie

**A**

There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds  
There's a starman waiting in the sky  
He's told us not to blow it  
'Cause he knows it's all worthwhile  
He told me

**B**

Let the children lose it  
Let the children use it  
Let all the children boogie

## **Outro**

La, La, la, la, la
