

Just My Imagination

There was a game we used to play
We would hit the town on Friday night
Stay in bed until Sunday
We used to be so free
We were living for the love we had
Living not for reality

Just my imagination (My imagination) x2
Just my imagination, it was
x2

That was a time I used to pray
I have always kept my faith in love
It's the greatest thing from the man above
The game I used to play
I've always put my cards upon the table
Never be said that I'd be unstable

Just my imagination (My imagination) x2
Just my imagination, it was
x2

There is a game I like to play
I like to hit the town on Friday night
And stay in bed until Sunday
We'll always be this free
We will be living for the love we have
Living not for reality

It's not my imagination (My imagination) x2

It's not my imagination (My imagination)

**It's not my imagination, it was
x2**

Not my, not my (My imagination)

Not my, not my, not my (My imagination)

Not my, not my, not my

Not my, not my (My imagination)

Not my, not my, not my (My imagination)

Not my, not my, not my

La, la-la-la, la, la-la-la-la

La, la-la-la, la, la-la-la-la

My imagination, my imagination

My imagination, my imagination (Not my imagination, not my
imagination)

My imagination, my imagination (Not my imagination)
